VERN KERGER MEMORIAL AWARD

Kenny Walsh

The Vern Kerger Memorial Award is granted by the Kerger family in honor of their beloved father and our friend, Vern.

Vern played a primary role in establishing the original Applefest Car Show and was critical to the success of every show thereafter until his passing in 2015. The very building that hosts the show's registration was Vern's. We miss his warm smile, quick wit, and impressive knowledge of everything cars.
